

THE VERDICT

*A series of community
conversations on justice with*

Suffolk County District Attorney Timothy D. Sini

Join District Attorney Timothy D. Sini for *“The Verdict,”* a series of monthly meetings held in communities across Suffolk County that allow residents and community groups to meet with the District Attorney and discuss safety issues in their neighborhoods.

Through these meetings, we will keep the public informed of safety initiatives and create a dialogue with community members on the state of criminal justice in Suffolk County.
